

Village Hall News December 2023

Last month we held two very contrasting events. At the casino and cocktail night we were all given '£1000' to play Blackjack and roulette with for the evening. The winner managed to more than double her money for a bottle of bubbly whilst some of us lost the lot. The following week Carlyn Kilpatrick gave a most illuminating talk on her Nurture project at Kettlestone House working with nature to improve adult mental health. Carlyn was extremely grateful for the donations received on that evening which will be used either to:

- Help fund one person for 6 sessions on the 'It's not just a walk in the Park' group programme
- Help fund one person for 2 sessions of 'walk and talk' one to one therapy
- Help fund two people for 3 sessions of 'horticultural table top' two to two therapy

These donations do make a difference so a big thank you to all who contributed.
